Meeting Thursday July 8, 2010

6:30pm Santa Margarita Community Center

NOTICE OF IMPORTANT MEETING CONCERNING A PROPOSED QUARRY PROJECT (ON Hwy. 58 approx. 2.5 miles from Santa Margarita) THAT WILL IMPACT THE COMMUNITY OF SANTA MARGARITA AND SURROUNDING AREAS.

QUESTION: WHAT IS AN ENVIRONMENTAL IMPACT SCOPING MEETING?

ANSWER: THE PROCESS OF DETERMINING THE SCOPE, FOCUS, AND CONTENT OF AN ENVIRONMENTAL IMPACT REPORT FOR A PROPOSED PROJECT. ie. Traffic safety, fire risk, etc.

QUESTION: WHY SHOULD I CARE?

ANSWER: AT THIS POINT, THE PUBLIC CAN ASK THAT THE SCOPING INCLUDE ANY CONCERNS THAT THEY MIGHT HAVE ABOUT THE POTENTIAL IMPACTS OF THIS PROJECT.

SCOPING WILL BE THE ONLY TIME THE COMMUNITY WILL HAVE AN OPPORTUNITY TO MAKE COMMENTS ABOUT ANY CONCERNS THEY MAY HAVE ABOUT THIS PROJECT. THE PURPOSE OF SCOPING IS TO IDENTIFY IMPACTS TO THE COMMUNITY THAT NEED TO BE ADDRESSED BY THE PROJECT. ONCE SCOPED, THERE WILL BE NO MORE OPPORTUNITIES TO HAVE CONCERNS ADDRESSED.

QUESTION: WHAT ARE SOME OF THE POTENTIAL IMPACTS OF THIS PROJECT?

ANSWER: THERE ARE MANY, BUT A FEW concerns are:

1. Safety issues brought upon by a dramatic increase in truck traffic & noise in and around Santa Margarita.
2. Impacts to property values of homes and properties.
3. Increased fire danger in area (explosives will be used for extraction of material)
4. Use of limited water resources.
5. Negative visual impacts within a designated scenic corridor.

QUESTION: WHEN AND WHERE IS THE MEETING ?
